GOOD

NEWS

CLUB

Good News Clubs happen in public schools, homes, parks, churches, or wherever kids gather. At club, volunteers teach a Bible story, memory verse, missions story, and lead games and activities. Kids hear the good news of Jesus at every club and experience the hope and love that Christ brings!

Christian Youth in Action

Christian Youth In Action (CYIA) is a program designed to equip students from the age of 13 years through college to make a difference in the world. We train and bring students together who have a desire to reach the world with the message of Jesus. After a week-long training camp, the student missionaries use the skills they learned to lead 3-Day Adventure Clubs in their communities.

MINISTRY

TRAINING

EVENTS

CEF offers ministry training events both in-person and online. These trainings are designed to equip and empower anyone who desires to share Jesus with kids. Our trainings are always interactive, and while they are designed to help equip team members currently serving at a Good News Club, the content is universal and can be useful in an array of ministry settings.
